

If you would like to be put on my list of families and receive daily homework and messages via computer, please fill out the following e-mail slip. Please fill out one even if you did last year, just to be on the safe side. Please print and be careful of upper and lower case letters. Many times the e-mails will not get sent correctly if there is a difference in upper and lower case letters or spaces or punctuation errors. Thank you for your cooperation.
